<p>The 2012 Chianti Rufina is loaded tight with red cherry, blackberry and bold fruit tones. The wine is darker and more extracted than many of its peers and it offers a great sense of integrity and wholesomeness. Sweet cherry appears on the close. I was excited by this wine.</p> <p>Fattoria di Basciano is one of the rising stars of Rufina. The Masi family has made wine for three generation in this quiet corner of Tuscany. Today they farm approximately 30 hectares and run a beautiful bed & breakfast on the property. They are also experimenting with biodynamic and natural wine practices.</p> <p>Importer(s):</p> <p>Grape Expectations, 1091 Essex Ave, Richmond, CA 94801 , (510) 412-5969, www.grapex.com</p> <p>HB Wine Merchants, New York, NY, www.hbwinemerchants.com</p>
